

“ARMS RACE” COMES TO WELLS!

An Interactive Comparison of Cutting Edge Bionic Hands

Cunningham Prosthetic Care is bringing together cutting edge bionic hands from leading world manufacturers in an interactive presentation that is free and open to the public. Join us to learn about how these devices change lives for the amputees that use them.

WHEN: *Tuesday, October 20, 2015,
5:30pm - 6:30pm*

WHERE: *York County Community
College, Wells, ME*

**LEARN MORE AT
